

Diane is currently the Director of Procurement and Project Management at the City of Plano with over 30 years public procurement experience. She is responsible for the centralized procurement function for goods and services and all major construction for the city as well as technology project management and the inventory and asset disposal functions. She is a recipient of the Carlton N. Parker Award for Outstanding Contributions to the Public Purchasing Profession. The City of Plano has received the Achievement of Excellence in Procurement Award all 26 years and is one of only 4 that have done so.
